Additional Resources

Teaching Manuals & Student Workbooks

Teaching Manuals and Student Workbooks promote learning through adaptable lesson plans paired with visual exercises. These resources support skill acquisition in the classroom, at home, and in the community.

Learn

Model Me Kids® videos incorporate real peer models to teach social skills through structured segments that break down complex skills into more manageable parts.

1

Master

Students can learn at their own pace, pausing, rewinding, or replaying sections of the videos as needed.

2

Generalize

Model Me Kids® videos showcase multiple scenarios and settings to promote teaching across different environments.
